- 1 - Published annual costs used in this chart are for on-campus undergraduates as published in the most recent IPEDS database.

- | | |
|-----|---|
| 2 - | We attempted to contact each institution whose 2021-2022 Common Data Set was not publicly available. Some do not use the Common Data Set or similar database, and a few refused to share their data. These are noted in the Source column as "data unavailable" or "data request denied." Others who have not responded to our requests are left blank in this chart. |

CAVEATS/EXPLANATIONS/DISCLAIMERS

All data is taken from each institution's 2021-2022 Common Data Set except where otherwise noted.			
---	--	--	--

Percentages larger than 100% are the result of data actually inputted into the CDS by the institutions themselves. For example, an institution has 900 students with no demonstrated need but reports that merit aid is awarded to 1,200 non-need students.

Empty fields in this chart are the result of missing data points in the institutions's Common Data Set, or because the institution did not respond to our request for the data. Institutions that have not responded to our requests for several consecutive years have been removed from the chart.

The information in each institution's Common Data Set is compiled by humans, as is this chart. Errors will be made, and we apologize for any we may be responsible for. If any are found, please let us know by contacting [information](mailto:bigj@gmail.com). bigj@gmail.com. If verifiable numbers are required, we suggest that you contact the institutions directly.
